

THE GOLF CLUB at
Basin Harbor

January 20th, 2021

Dear The Golf Club at Basin Harbor prospective members,

Happy New Year! We are so excited that the golf season is just a few months away. Director of Agronomy, Scott Clark, and Head Golf Professional, Alexander Socinski, are hard at work this off-season preparing for the best season for Basin Harbor yet.

We wanted to reach out to the community to highlight some of our membership options for this upcoming season. There are many competitive options and we feel there is a membership for everyone here at The Golf Club at Basin Harbor.

All of our memberships offer the following benefits:

- Full use of golf course & golf practice facility
- Preferred Member Tee Times 1 Week in Advance
- Participation in all Club-Sponsored Events, including Men's & Women's weekly leagues
- 15% off all Merchandise in Basin Harbor Shop
- Complimentary GHIN Handicap Service

In an attempt to simplify some of our options and offerings, we created an Individual option and Family option for all of our adult membership categories. The individual option includes only golf privileges for the primary member. The Family option includes the Primary member, a Spouse/Partner and two dependents up to the age of 22 living in the same household. Each additional dependent up to the age of 22 living in the same household is \$150.

We have expanded our Young Adult membership to include everyone under the age of 40. The Young Adult comes in a three-tier, incremental pricing structure. We made sure to make our fees for those under 40 the most competitive option in the state.

For those of you who have never joined The Golf Club at Basin Harbor in the past, we are offering a Trial Membership, which offers the qualified membership at a 40% off discount. This gives you the option to come experience the golf course and the club, without committing to the full membership fee. If you decide that Basin Harbor is your club for 2022, then year two will be billed at the full membership rate.

For our returning club members, we are offering a full guest voucher (up to 3) for every adult new member that you reference to join The Golf Club at Basin Harbor. This is a great opportunity to have your golfing friends join you for the season and get a complimentary foursome as well. Additionally, if you pay for your 2021 membership by March 1st, the membership fee will be discounted 10%.

Please let us know if you have any questions. We look forward to the snow melting and seeing everyone tee it up in a few months.

Kind Regards,

Scott Clark
Director of Agronomy

Alexander Socinski, PGA
Head Golf Professional
